

Spicy Honey Drizzled on Pizza

Whether putting together your own flatbread creation or calling out for delivery, drizzling our Fiery Sweet Mesquite honey on your finished pizza will give a unique twist to a traditional food. This exciting evolution to pizza is quickly becoming a favorite around the country.

Ingredients:

Your favorite pizza

1/4 to 1/2 cup Fiery Sweet Mesquite Honey (or to taste)

Instructions:

Don't overthink this. Our spicy honey is wonderful when drizzled on any pizza. Make this recipe easy on yourself; bring home a pizza pie from your favorite local pizza spot. One of our favorites includes (but is not limited to) mozzarella cheese, salami, red onions, mushrooms and olives.

Drizzle the honey on your pizza slices after they are cooked, otherwise the dough may become a little soggy.
